### Christian Endeavor Convention Is Event Of Next Week

### Grim Reaper Calls Beloved Residents Of Sonoma Valley

#### CHURCH PEOPLE COMING HERE FROM TWO COUNTIES

Christian Endeavor Services at Congregational Church; Sunrise Service at Old Mission Sunday.

The local committee on the coming 17th annual convention of the Christian Endeavor Union of Sonoma and Napa counties to convene here next week are making elaborate preparations for the entertainment of delegates and visitors while in Sonoma Valley. The committees are headed by the following prominent members of the local Endeavor.

General Chairman, Roy H. Bill; Reception, W. McAllister; Banquet, Miss Bertha Warthorst; Music, Miss Mabel Benson; Decorations, Allen Bean; Publicity, Vivian Olsen; Registration, F. Edrington; Entertainment, Mrs. Sarah Carter; Social, Mrs. F. Edrington.

A large banner will be swung across Broadway this week to advertise the place of meeting.

Many prominent speakers are on the three days program beginning October 31st and as the sessions will be open to the public, Sonoma valley people will find it interesting and worth while to attend and hear of the splendid activities of the young people and the work of the Christian Endeavor as a whole. Among prominent speakers will be Dr. Howland Dodge D. D. of Redwood City, Harry Allen, State Field Secretary and Edith McDonald State Intermediate Superintendent.

Among events of importance of the session will be the brilliant evening of Saturday at the Womens Clubhouse where a banquet will be served. On Sunday Nov. 2nd there will be sunrise service at the old Mission of San Francisco de Solano, with regular morning services in the M. E. and Congregational churches where visiting divines will speak.

A gala time is predicted by the various committees who hear that the attendance of delegates and visitors will be 250 or more.

#### SONOMA'S SCHOOL ANNEX ACCEPTED

The Sonoma Grammar School trustees on Monday formally accepted the new annex and approved the \$30,000 addition to the school, recently completed by Contractor C. C. Bean.

The completed job is a credit to the community and like the Index-Tribune building, was turned over by home labor and all materials furnished by local people with a few exceptions.

The Sonoma Grammar School now has an attendance very close to the 300 mark.

#### MR. AND MRS. HOTZ RETURN FROM SOUTH

Mr. and Mrs. Ralph Hotz returned Tuesday from Los Angeles, where they went to attend the State Masonic Convention. They describe the entertainment given by Los Angeles to the 1500 delegates as royal in every respect.

#### Pleased Advertiser Sends Greetings to Our New Home

One of the best greetings which came to the sanctum the first day the editor moved to the new building was one from an advertiser of last week, Mrs. H. V. Coops, who told us over the telephone that it certainly paid to advertise. Everything that Mrs. Coops advertised was sold the day the ad appeared with the exception of a dress form (and we believe even that will shape itself). While this fine testimonial was coming over the wire another buyer for some of the articles advertised by the lady was in the office, hoping they were not yet sold. This is just part of the good service we are glad we are rendering Sonoma Valley and if you are a satisfied advertiser or a reader of Index-Tribune ads, we will appreciate it if you will tell the public, particularly the merchants, that you do read the ads and look for bargains. Thank you.

#### RECOMMENDS PAVING OF SONOMA VALLEY ROAD

Paving of the Schellville-Beltane Sonoma Valley highway unit was recommended by the San Francisco Down Town Association Highway Committee at a recent meeting of the club and the recommendations were forwarded to the highway Committee of Nine, which is to make highway paving recommendations to Governor Richardson and the legislature.

T. P. Andrews, chairman of the Down Town Association committee, has sent the Chamber of Commerce a letter relative to the action of that body. The letter is as follows:

"At a meeting of the joint executive committees of the San Francisco Chamber of Commerce the Down Town Association and the highway section of the Commonwealth Club, the following resolution was unanimously adopted:

"Resolved, that with reference to the highway programs agreed upon, we recommend the paving of the highway from Schellville northward through Sonoma to Beltane.

"Those present at the meeting included Frederick H. Meyer and George Forderer, representing the Chamber of Commerce; T. P. Andrews and E. W. Milburn, representing the Down Town Association; and Professor C. D. Marx, representing the highways section of the Commonwealth Club.

"The foregoing resolution will be submitted to the governor's advisory Committee of Nine on highways when that body assembles in San Francisco."

#### AUTO ACCIDENT PROVES FATAL

At 4 o'clock Thursday afternoon the inquest over the body of James Gambata of Kenwood was held at the funeral parlors of Lafferty & Smith. Gambata died from the effects of an auto accident Sunday night while he and Peter Acquistapace were enroute to Santa Rosa from Kenwood, and the wheel of the car gave away, and the car turned turtle. Acquistapace had several ribs broken—Republican

#### Dawson Memorial Assembly Hall Ceremonies Attended By Prominent People

The dedication of the Dawson Memorial Hall at the Sonoma State Home Wednesday evening was a brilliant occasion with Governor F. W. Richardson and many other prominent state officials and friends of the institution in attendance. The entrance way of the beautiful brick building recently completed as an annex to the Home was banked with handsome floral pieces in memory of Dr. J. G. W. Dawson, the late superintendent of the institution after whom the assembly hall has been named, the tributes being taken to St. Helena the day following the ceremonies and laid on his grave.

The assembly hall was brilliantly lit for the evening ceremonies and the stage with its rich hangings further embellished with golden hued chrysanthemums from the state home gardens. Seated on the rostrum were the speakers of the evening, Governor Friend W. Richardson, Chas. O. Dunbar, President of the Board of Managers, W. D. Wagner, Director of the Department of state institutions, H. R. Braden, State Board of Control

and Board of Charities and Corrections, Senator Herbert W. Slater, Dr. Fred O. Butler, Rev. W. H. Youngman and others.

The State Home orchestra under the direction of Prof. Herman Schieck opened the program after which Rev. Youngman, resident pastor at Glen Ellen and U. C. graduate gave the invocation.

Dr. Fred O. Butler, superintendent of the State Home made the introductory remarks, expressing pride in the new assembly hall which he declared had long been hoped for and was now a reality and was to be dedicated to his "former beloved superintendent and predecessor."

Mayor Chas. O. Dunbar of Santa Rosa was then introduced and received a flattering ovation. Mr. Dunbar referred to the Sonoma State Home as the California institution nearest the hearts of the people of the State. He outlined the building program in progress to further make the Home meet its needs of humanitarian work and advised everyone to ac-

#### New Home Good But Old Friends Are Better

With this issue the Sonoma Index-Tribune is published for the first time in its new building on Napa street adjoining the Standard Oil service station.

The new quarters are nicely adapted for the publishing of a newspaper, the business office being separate from the mechanical department which is located in the rear of the concrete building and has a floor space of 22x60 feet for presses, linotype and stockroom.

While moving and getting out a paper all in the same week made things lively around the office, the force has been cheerful and the work completed with great expedition, including the dismantling and setting up again of many pieces of heavy and intricate machinery, the transfer of motors and rewiring for power connections.

In the new quarters the Index-Tribune will aim to give prompt and improved service and with our increased facilities to serve the community will thus further aid in the up-building of town and valley. The installation of a complete stereotyping outfit and the Bonnett-Brown ad service of Chicago gives us cuts and up-to-date copy for every line of business which will enable every merchant and business man of Sonoma Valley to attractively present his line and interest shoppers in Sonoma Valley store values. You are invited to call and let us show you this new department of Index-Tribune service.

Whether on business or not, the public will be cordially welcomed at our new office. Come in and see the building and inspect our new quarters.

The building was erected by Contractor R. E. Murphy and is a substantial and attractive structure. The architecture favors the Mission type with Spanish tile trim. William Down-

ey, the paint contractor, has completed the finishing touches on the front of the building this week. The cream colored stucco has been embellished with a trim of Hollywood blue which matches the building's tile base and gives a pleasing ensemble. All who have seen the new building declare it to be a decided asset to the business section of our city.

We are proud to be in our new permanent home, under our own roof, for it is a testimonial of success and community co-operation. It means that the Sonoma Index-Tribune has cemented friendships during its 47 years in Sonoma Valley and has built up a clientele which appreciates what it is doing for the community, the service it renders and its business principles.

In addition to thanking patrons and friends in general and bespeaking the Index-Tribune their continued good will and patronage, the publishers at this time desire publicly to thank our faithful and efficient correspondents of Schellville, El Verano and Vineburg for their loyal help and co-operation. We assure them that they have, through their news columns, largely contributed to the success and popularity of this newspaper.

Our printing department will continue to be under the personal supervision of Robert L. Stanleigh, for the past three years the efficient foreman of the Index-Tribune. Printing for people who appreciate correct commercial printing will be designed and executed under his skilled direction.

We trust the beautiful Sonoma Valley and the Index-Tribune will continue to progress during the next decade and our pledge is loyal service to the community and its good people.

W. L. and C. G. MURPHY.

#### Kills Coyote And Litter of Female Pups

An old she-coyote which roamed the Sonoma-Lakeville hills for many moons and eluded government trappers and hunters while she regularly raided the sheep ranches of A. W. Foster and others, has at last been killed. She was tracked to her lair through the discovery of her litter of young, nine female pups—which were all exterminated with her thus saving the sheepmen thousands of dollars. It is estimated that during the past four years the predatory critter and her get have killed hundreds of sheep. What the toll would have been with the 100 per cent female litter suggests a loss which every stockman can appreciate. Ben Foster, who has charge of the Foster acreage, has been instrumental in getting considerable financial help from the counties to aid the war being waged by the government against the predatory animal menace in California.

#### MRS. ADLER PRESENTED FINE CLUB PROGRAM

At the October social afternoon of the Sonoma Valley Woman's Club last week the program director, Mrs. A. W. Adler introduced Mrs. A. S. Luce, formerly of this club, but now president of the Philomath Club of Santa Rosa. After a short talk, Mrs. Luce presented Mrs. C. C. Cragin, widow of the late Rev. Cragin, formerly of the local Congregational church who gave a resume of the Philomath Club. Next on the program was an interesting paper on the "Life of Christ," by Mrs. L. B. Lawson.

Following this was a violin number by Lyle Campbell, of the Sonoma High School faculty.

Mrs. Fred Eberhardt was hostess of the afternoon and served tea and delicious cake to the club members and 14 Santa Rosa visitors at the termination of the program.

#### POLITICAL RALLY ON WEDNESDAY EVENING

There will be a Coolidge for President meeting, addressed by fine speakers from San Francisco headquarters in front of the Don Theatre next Wednesday evening at 7.15 p. m.

Don't forget the date. Come and bring your friends.

#### NATIVE SONS WARMING UP FOR BASKET BALL SEASON

Sonoma Parlor of Native Sons have appointed a committee to further plans for the winter basket ball season. The contests last year were largely attended and the boys developed a fine team.

#### CLEWE SHIPS CARLOADS OF SONOMA DRIED FRUITS

W. F. Clewe shipped several carloads of dried fruit, mixed varieties, this week from Sonoma Valley.

Some twenty-four Epworth Leagues of the M. E. church attended a Halloween social at Napa Thursday evening. A splendid time was had.

#### COMMUNITY MOURNS PASSING OF FOUR PROMINENT PEOPLE

Deaths of Past Week Include A. Froment, Julia Knight, Alexander McGill and W. H. Pickens.

Sonoma Valley has lost a beloved and progressive citizen in the passing of A. Froment, who died in San Francisco last Saturday after a brave fight to conquer the illness with which he was stricken some months ago. Just a short time ago he went to San Francisco where he consulted eminent doctors at the Mt. Zion Hospital, but was told nothing could be done for him, so he remained at the home of his daughter, Mrs. Mazuie, in that city, resigned and prepared for the inevitable. Everything possible that a loving family and skilled nursing could do to alleviate his suffering was bestowed on him and he passed away surrounded by his dear ones and with realization that not only they but the community of Sonoma where he had lived so many years, sorrowed at his illness and would grieve at his passing.

Mr. Froment was a native of France but had been a resident of old San Francisco many years prior to the fire. In that city he conducted a prosperous business and there met and married the San Francisco girl of a prominent French family who has been his devoted helpmate and life partner throughout many happy years. Of this union three daughters were born, one of them here in Sonoma Valley where the Froments came 20 years ago to make their home on a ranch near the place of Mrs. Froment's sister's family, the Lemoines, of Glen Ellen.

Mr. Froment took an active interest in everything pertaining to the progress and welfare of Sonoma Valley and at one time was president of the Dunbar Improvement Club which did splendid pioneer promotion work and was one of the first organizations to take up the problem of getting a boulevard to San Rafael (now the

#### SONOMA GIRL WAS MARRIED AT VERDI

Miss Marguerite McDevitt, pretty Sonoma girl, was recently married at Verdi, Nevada, to Howard Fox, a young railroad man of Summit. The young lady is the eldest daughter of former city trustee Charles McDevitt and has been spending the summer in the high Sierras at the hotel owned by her relatives, Joe Andrieux and Fred Batto. She is a graduate of the local schools and later attended the Healds Business College.

The many friends of the popular couple are extending hearty congratulations.

## EL VERANO NEWS

By ARCHIBALD McKIVER

Paul Jensen, son-in-law of Mr. and Mrs. Stillings, was hit by an auto in San Francisco last Saturday and is in a precarious condition in that city and not expected to live. The Stillings left for San Francisco upon hearing of the accident.

Miss Irene Dowdall is visiting relatives at Concord and other bay cities.

Willie Locarnini was a visitor in Oakland Monday, bringing home a 1925 Star Car which was delivered to a Sonoma buyer.

Claude Lombard, wife and other San Francisco friends were guests at the Lombard ranch Sunday.

Henry Koerner of Oak Grove Resort was transacting business in San Francisco last week.

The Coolidge flying squadron of political speakers held a meeting at Boyes Springs Wednesday noon. A large crowd of patriotic Republicans were on hand to hear the speakers talk for their choice.

With the presidential election but one week off, interest grows as the campaign comes to an end. Rudolph Spreckels addresses a meeting at Santa Rosa Saturday evening and a caravan of autos are to meet the California LaFollette leader at Sonoma Saturday afternoon and accompany him to the county seat. He also addresses the people of Napa on the same day. Coolidge and LaFollette seem to be near contenders in the great three cornered race, while betting favors the Republican nominee to land the presidency.

Dudley Malone and Clarence Darrow, world famous lawyers, have taken the stump for the LaFollette and Wheeler ticket. Men of brains, such as these, should greatly aid the third party candidate in being elected. Malone is a Democrat while Darrow is a Republican.

L. P. Kearney, lumber merchant, was transacting business in San Francisco last week.

Hery Koerner will leave for his old home town in Germany about November 15th, to be gone for several months.

Many of our farmers have started plowing. The late rains have been welcomed here, over three inches having fallen already this season.

Tom McMann, Boyes Springs grocer and butcher, was a visitor in El Verano Wednesday.

Pat Burns, S. P. engineer out of Oakland, was a visitor at his Verano home Sunday.

Bob Filippini, manager of Paul's Resort, spent several days in San Francisco transacting business and seeing the sights.

B. Rohrdarz and M. Bissi of San Francisco have leased the former L. Mouyer place on Riverside Drive, which is now known as Neptune ranch.

W. Waldow was transacting business in San Francisco Monday.

Fred Batto of Vineburg was in El Verano last Saturday looking over business interests.

W. J. O'Connor of San Francisco is spending his annual vacation here, a guest of the Mouyers.

Milton Peterson attended the Pickens funeral Thursday, which was held in San Francisco. Interment was at the Presidio. Many other friends were in attendance from Sonoma Valley.

The many friends of W. H. Pickens were sorry to learn of his death last Tuesday. He had been sick for some time and was a pensioner of Uncle Sam. His death is being mourned by El Verano friends. He leaves a wife and daughter.

T. and B. Caulfield, well known Petaluma stockmen, were transacting business at El Verano Monday.

Mrs. D. Holden of Los Angeles, a daughter of Mr. and Mrs. A. W. Weaver, is spending several days visiting at the Weaver home here.

Albert Rossi, who has been railroad ing for the N. W. P. at Occidental, has received a letter of commendation for the brave part he took in saving company property at that city during the recent fire. Coupling on to several cars, one on fire, Rossi switched the merchandise to the main

line and then took a leading part in saving the depot. Superintendent Gillogly is proud of the boys who will get a write-up in the monthly railroad magazine.

Joseph Kearney was a week end passenger for Oakland, where he visited relatives.

The big excitement is the Native Daughters' ball to be given at Sonoma on Saturday evening, November 1st. This is an annual party and is being looked forward to by local party going people and a large number of out of town dancers will be on hand. Fine dance music has been engaged.

Mrs. J. Sutter was an Oakland visitor last Saturday and Sunday, attending the wedding of Miss Anna Miliello.

Mr. and Mrs. T. H. Baines attended the funeral of W. H. Pickens in San Francisco Thursday.

### HARVEY PERKINS IS IN POST OFFICE SERVICE

Harvey Perkins, for many years freight agent at the Northwestern Pacific depot, is now employed at the Sonoma post office where he is training to become a regular substitute, or extra clerk.

Mr. Perkins is an efficient worker and is well liked by the public and will undoubtedly give a good account of himself in his new position.

#### FORMER EL VERANO GIRL MARRIED IN OAKLAND

Last Sunday afternoon in the presence of many friends and relatives, Miss Anna Militello, former El Verano girl, was married to Sam Caizza at the Portuguese Catholic church of Oakland. The bride, a handsome and vivacious brunette, wore a white crepe de chine wedding gown richly trimmed in lace and ribbon, her veil and a coronet of orange blossoms completing a beautiful costume.

The matron of honor, Mrs. P. Militello, (Madeline Sutter) wore apricot color satin and a silver wreath on her blonde hair. A cousin of the groom was best man and there was also a flower girl and ring bearer.

Following the ceremony the bridal party and their friends motored to the home of the groom's cousin on Fifth street where there was an informal reception followed by dancing and feasting. An orchestra furnished music throughout the afternoon and evening.

An elaborate Italian dinner in which many Sonoma guests participated preceded the wedding at the church.

Mr. and Mrs. Caizza were the recipients of many beautiful gifts. They will make their future home in Oakland where the groom is employed.

#### OLD RESIDENTS ARE CRITICALLY ILL

C. Proletti, retired capitalist and former director of the First National Bank of Sonoma, has been in Napa and under the care of physicians who hold out little hope for his recovery. The aged man is suffering from an incurable malady.

Another prominent old Sonoma resident who has been quite ill is P. Laurenzi, who was stricken with paralysis some time ago and has never rallied. His daughter, Catherine, has been here from San Francisco caring for her father.

Miss Blanche Bianchini, popular clerk at the Hotz store, contemplates removing to San Francisco, where she will take a position.

the spirit of co-operation among the power companies of California who, for the sake of the public service, fed one another from time to time with surplus power, so that not a kilowatt of current went to waste.

An important factor was the diversity of demand in the wide territory served by the Pacific Gas and Electric Company, one of the largest hydro-electric companies in the United States, drawing power from numerous sources. No single plant, serving one community, could have met the situation.

## On His Record

By Rodger in San Francisco Bulletin

#### CALIFORNIA'S VOTE FOR PRESIDENT

The presidential campaign in California is rapidly shaping itself and a survey of the city and country districts indicate a marked trend toward Coolidge. The election will be a test of the intelligence of our electorate and it is unthinkable that the farmers of our Golden State will not be strong for Coolidge.

Here in Sonoma Valley the poultry industry and the fruit growing business are dependent upon the protection guaranteed of the Republican party and will surely not take chances under a banner notorious for internationalism which extends even to the welcome of Chinese eggs in our American markets.

LaFollette is the mouthpiece of internationalism and his sentiment is not American nor for Americans, but is a call to the brotherhood of the world—the doctrine of Socialism. If farmers of this or other localities are willing to take a chance on this beloved theory and think it will put money in their pockets and make them and their families prosper, they may vote for LaFollette, but if they value American standards of living and the protection of our products and goods, they will vote to stay with Coolidge and his sound, economic program.

The short sighted workingman who proposes to cast his ballot for LaFollette is hoping for an artificial arrangement whereby he will be able to demand and get higher wages. Government ownership is the miracle by which he hopes to prosper, but one class cannot prosper at the expense of another. Most certainly labor cannot prosper long if capital fears to venture, or politicians run the "good thing" of political opportunity into the ground.

Government ownership of the railroads as proposed by LaFollette might win great privileges and big wages for railroad workers, but if fares and freight rates were higher and the government plunged in debt as it was after the war-time experiment in railroad management it would hardly pay just for the sake of one prosperous class, a class already prospering and sharing with others in general good fortune. Cooperation is the key to national harmony and prosperity but LaFollette would

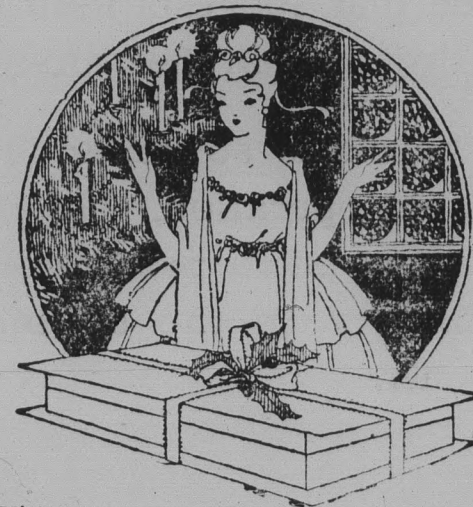

change the combination and turn the country over to the orgy of theorists.

In discussing LaFollette's attitude on the tariff, a Petaluma paper says: "The election of LaFollette would be an unprecedented calamity to the farmers of California and any vote for him is a repudiation of the money and effort which was expended in securing for our agricultural producers adequate tariff protection, so that they might live and rear their families in the manner to which our citizens have been accustomed and which does not prevail anywhere else in the world today.

"Farmers, a vote for LaFollette is

#### VOTE NO AND SADDEN THE DOUGH-GRABBERS

The Water and Power Act should be snowed under at the coming election. There is no guarantee of water without the expenditure of millions of the people's money and all the power is given to politicians to spend what they need on the experiment. That is where the power comes in and we do not believe the voters of the State of California will create any such pie counter opportunity. Vote no on this measure.

GRIM REAPER CALLS  
SONOMA VALLEY PEOPLE

(Continued from Page One)

Black Point cut-off).

Some years ago the Froment family moved to Sonoma City where Mr. Froment succeeded to the business of the late C. Aguilon, the former Aguilon house being occupied by the Froments ever since. As a Sonoma business man, Mr. Froment won a reputation for courtesy and square dealing which will never be forgotten by friends and associates. After his retirement from business, he devoted himself to his home and family and under the hospitable Froment roof friends were entertained in a princely manner by this genial host and his good wife who loved to make life pleasant for others. Two years ago Mr. Froment and family made a trip to his old homeland, France, and there visited the battlefields of the late World War and also went to Africa, where as a young man he had served in the French army. The trip was cut short owing to the illness of his daughter, Eugenie, but was thoroughly enjoyed by the Sonomans and was a source of very pleasant recollections up to the date of his death.

A sad coincidence in the death of Mr. Froment is the fact that a pretty new home for the family is under construction on Broadway, Sonoma, a home which the genial head of the family will never enter. "In my Father's house are many mansions," however, and those who knew deceased are confident of the reward and blessings which will be his in the Great Beyond.

The funeral took place in San Francisco Tuesday, under the auspices of the Foresters, of which Order deceased was an esteemed member. The services at Godeau's on Van Ness avenue and later at Cypress Lawn chapel were largely attended by friends both from here and the

lay cities. Floral tributes were many and handsome.

The late Antoine Froment was 69 years of age.

## Death Calls Julia Rhodes Knight

On Tuesday, at Martinez, where she was visiting her son, Harry M. Knight, the Angel of Death called Mrs. Julia Knight, widow of the late N. R. Knight, old and esteemed former resident of Sonoma Valley.

Mrs. Knight, who resided in San Francisco with her daughter, was taken suddenly ill at Martinez, and her daughter, Miss Bessie Knight, was summoned from Livingston, where she was enjoying her vacation with her brother, Jack. A message was also sent to Howard Knight of Schellville, another son, who hastened to the bedside of his mother. The children arrived to see their beloved mother breathe her last and the news quickly reached Sonoma friends of the passing of this gracious lady of the old school who had a wide circle of friends here, where she had lived many years and reared her family of three sons and only daughter.

Of late years Mrs. Knight had resided in San Francisco, making a home for her daughter, Miss Bessie Knight, employee of the Bank of California in that city.

Endowed with natural vivacity and many social graces, Mrs. Knight was esteemed in social circles and highly regarded by all who knew her. Coming from one of the fine old families of Providence, R. I., she possessed all the true attributes of a lady and despite her age was bright, active and in good health to the date of her fatal illness.

The funeral took place Thursday in Oakland with interment in the family plot at Mountain View Cemetery.

Alexander McGill, a Pioneer  
Resident, Dies

On Thursday, at his home in El Verano, Alexander McGill, pioneer resident of this section, died after a brief illness from pneumonia. The pioneer had been in this country since 1871, coming from his native country, Canada, to Jefferson City, Mo., where he met and married Marguerite Schaffner, the couple recently having celebrated their golden wedding. Of the union and surviving deceased, in addition to the widow, are three daughters, Stella A. McGill, Marguerite B. McGill and Mrs. Mary Love, and four sons, Robert A., John A., Arthur L. and Richard E. McGill.

The funeral will take place today at 2 p. m. from the home in El Verano. Services will be by Rev. Mr. Cookman. The pall bearers are Messrs. B. Keechler, Joseph Revie, William Kearney, Vic Leveroni, F. Joost and Joe Ryan.

Many friends from here and surrounding cities will attend the funeral of this old and esteemed resident of El Verano.

W. H. Pickens, Pioneer Indian  
Scout, Dies

Funeral services for the late W. H. Pickens, local man and pioneer Indian scout under Custer, who died on Tuesday, at his home in El Verano, were held from the Methodist church.

The aged scout was buried in the National Cemetery at the Presidio, in San Francisco, with military honors. Pickens was 77 years old and is survived by his wife and two children, a son and a daughter.

# GOVERNOR ATTENDED DEDICATION AT HOME

(Continued from Page One)

quaint themselves with the splendid work being done in this institution.

W. D. Wagner director of state institutions expressed pride in the State Home and its superintendent, Dr. Butler and declared the Dawson Assembly Hall to be one of the finest auditoriums to be found in any institution of this or other state of the Union. He complimented California

on its institutions in general, declaring that it ranked high in every line. None of the institutions he found to be lacking in funds despite reports to the contrary and all were functioning well under the economy program of the Governor, who gave, said Wagner, time and thought to the state's wards and while stressing "no waste" was not in favor of stinting in any degree the real needs of the institutions of California.

H. R. Braden of the State Board of Control complimented architect McDougall on the fine building and said

the State Home here is just one of many California institutions where splendid work is being done for humanity. He told of the finding of homes for 200 orphan babies, work of the Board of Charities and Corrections, and declared that Governor Richardson with his heart interest in humanitarian work going on in his state is the best Governor California ever had. He touched on the interest of the Governor in his charges and told of the game of horse shoes Richardson recently played with the boys at one of the reform schools where he got beat in the friendly contest.

Dr. Butler made the public statement from the platform that the Sonoma State Home had more funds on which to operate than ever before in its history and that he had a surplus this year which was a matter of pride to him and to the administration.

Governor Friend W. Richardson received a big ovation as he was presented and prefaced his informal talk by stating that he realized that he had a reputation of being a "hard boiled" Governor. He explained that he regarded himself as the business manager of the State of California, and as such, he had proceeded to attend to the business of the State. He therefore has made it a practice of attending all meetings of the Boards of Managers of the State Hospitals, Board of Regents of the University of California and of keeping office hours both in San Francisco and Los Angeles where he attends to matters

effecting the welfare of the state. He is the first Governor who ever religiously attended meetings of all his Boards. He defended his economy budget and quoted figures which proved that the now famous budget was not cut too much, but too little.

Senator Slater who was introduced as the true friend and benefactor of the institution, made the dedicatory address of the evening—a masterpiece and beautiful tribute to the late Dr. Dawson and also to his colleague, the late Robert A. Poppe. He dedicated the Assembly Hall to "usefulness and happiness" that the noble work of education and social activities might go on and mental sunshine be diffused into the lives of the unfortunate. Appropriately and well was it named Dawson Memorial Hall said the speaker, a name of honor and fine principle.

At the conclusion of the wonderful tribute to Dr. Dawson, the son of the deceased superintendent, Mr. Edgar Dawson feelingly responded with a few well chosen remarks.

Musical numbers by the children of the institution completed the evening's program after which punch and cakes were served to guests. Among those present were Judge and Mrs. Rolfe Thompson of Santa Rosa, Carl Bundschu, Rabbi Coffee of Oakland, Mrs. Orrin King of Sacramento, Mrs. Friend Richardson, Mr. and Mrs. R. M. Morton of Napa, Mr. and Mrs. Edgar Dawson, Mrs. Dawson, Miss Carolyn Dawson, E. M. Norton of Healdsburg and others.

# GLEN ELLEN GIRL WEDS AT NAPA

Mr. Ira F. Hein of Napa and Miss Virginia M. Regusci, a charming girl from Glen Ellen were united in marriage by Justice of the Peace Charles Snow at his residence on Oak street this week.

The young couple were attended by Mr. and Mrs. Elmo Knox.

The ceremony was witnessed by Mr. and Mrs. Fred Hein, Mr. and Mrs. S. O. Dougherty and a few other relatives and intimate friends.

The bride and groom have gone on a honeymoon, destination unknown. —Napa Register.

Not gone from Love  
But gone to her Father's Home above."

Inserted by her Mother, Mrs. Robert Siemssen, and sister.

Harry Castagnasso who has been very ill with pneumonia was reported better yesterday. The young man's many friends hope for his recovery.

After several weeks visit with her sister Mrs. W. W. Carter, Miss Amy Rowe has returned to San Francisco where she has accepted a position in the San Francisco Hospital.

# PIONEER RESORT RAIDED

The County enforcement squad visited the El Verano Villa, pioneer resort, this week and seized a small quantity of wine. Capt. Tullett, proprietor, was charged with violating the prohibition law and later released on \$600 bonds.

The Woman's Home Department of the Sonoma Farm Bureau met at the home of Mrs. F. Joost on Oct. 22, for the purpose of completing their organization. The next meeting will be Nov. 12, at the home of Mrs. John Ludwig of Buena Vista.

A communication from a well known farmer opposed to the new road district plan will be printed in these columns next week.

Mrs. Molly Johnson of Crockett, a former resident of Sonoma has recently returned from Nevada where she closed a big realty deal. Mrs. Johnson has been on the sick list since her return but is reported better.

Mrs. E. Jorgenson (nee Bill) has returned to her home in Forestville after a pleasant visit with her mother, Mrs. Philip Bill.

R. Young, who has been recuperating at the home of his sister, Mrs. Henry Hyde, of Vineburg, following an automobile accident in San Francisco, has returned home. Mr. Young was run down by a motorist near the city hall in the metropolis some time ago and had his hip broken.

# More Service To Our Advertisers

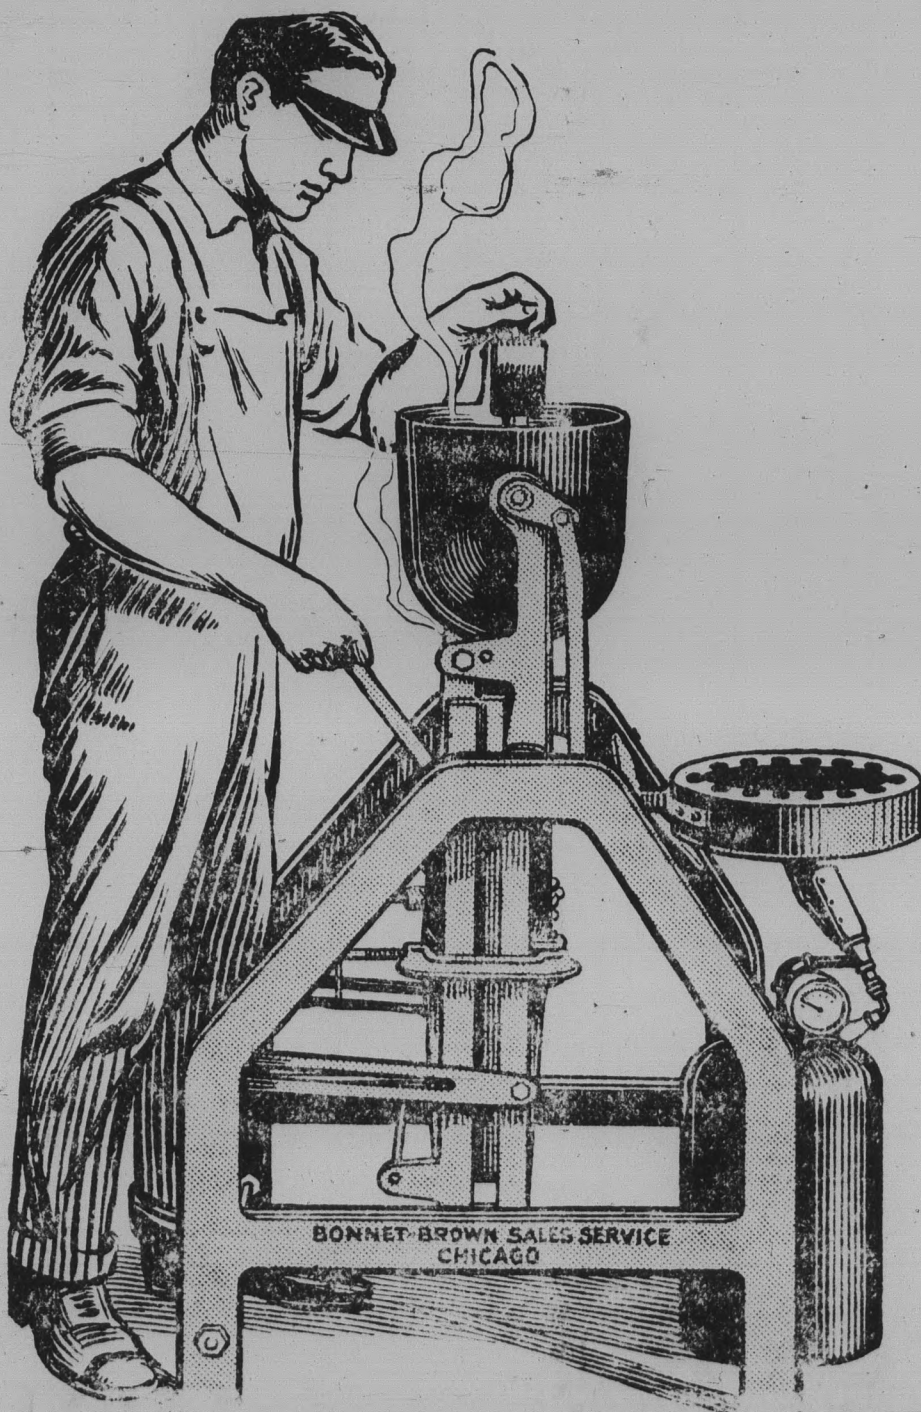

## Illustrations For Any Advertisements

The Sonoma Index-Tribune has just installed the Bonnet-Brown Advertising Mat Service, and Stereotyping Machine.

You will now receive the same ad service that the large, metropolitan newspapers render their advertisers. Under this splendid New Service Plan, we receive fresh each month, ads and illustrations for every kind of advertising.

We receive these illustrations in matrix form—a paper mold or cut-to-be. This new stereotyping machine enables us to pour hot metal into this form and make a plate for printing the illustration in the Index-Tribune or on a circular.

Advertisers who receive matrices of their merchandise from their manufacturers or wholesalers can bring them to us and we will make cuts for use in their advertising.

## Advertising Service for Every Business

And, in addition to being able to supply you with suitable cuts for illustrating your ads, we are prepared to furnish advertisements covering practically every line of business.

These ads have all been written by advertising experts and hence are so planned and executed that they exert the maximum amount of pulling power possible in the space used.

So, when you want to run an ad, instead of spending time to write it yourself, come in and let us help you. We'll give you one that will fit your needs—illustration and all.

This service, we are confident, will result in greatly increased business for every advertiser who takes advantage of it.

You will be better able to tell the people of Sonoma and Sonoma Valley about what you have to sell or what you want to buy. And you can put your message across in a concise, easily understood manner that will be pleasing to the readers of the Index-Tribune and most satisfactory to you in the greater results obtained. Save time and increase results with this service.

## High School News

By WALLACE HALL

On Saturday night, October 25th, the California Glee Club will sing at the high school. The songs will consist of popular selections, good old time melodies and songs that never grow old. The latter part of the evening will be spent in dancing, the music being furnished by the California Glee Club jazz orchestra.

Since the completion of the new culverts in front of the school, it is an easy matter for students driving machines to reach the parking grounds without the usual nerve-racking mad spring-breaking bumps. This is also a convenience to the public coming to the frequent entertainments given at the high school.

The Boys' and Girls' Leagues held meetings last Thursday and passed a motion of mutual agreement to both organizations. It was agreed that the girls are to have the use of the auditorium on Mondays and Wednesdays and the boys on Tuesdays and Thursdays. On Friday the floor is to be shared by both.

The first of a series of seven picture shows was given at the school recently and was well attended. First on the program were two selections by the orchestra, followed by two on the part of the girls' chorus. The picture followed later, while the evening was topped off with dancing.

The regular assembly was held in the auditorium Thursday, October 9. The orchestra contributed two selections under the leadership of Jerry Geer, the new leader since Mr. Campbell plays first violin. The girls' chorus sang two songs, followed by the joyful news by Mr. Campbell that "transportation was due." The assemblage was brought to a close by singing "Ham and Eggs," and a standing invitation was issued to anyone to write parody that would benefit the tune of the above song.

The boys of the high school machine shop are kept busy; some fixing their machines while others are installing a lathe and saw, the latter being nearly completed.

The next party to be given will be by the Junior class, and as it comes on October 31st, it will be a Halloween masquerade. There will be a booth erected at the entrance and everyone will have to unmask before being admitted. Only students who have Student Body cards, their immediate families, alumni and those

who receive special invitations will be admitted. There will be a prize given for the best dressed and most original make-up.

The Girls' Athletic Association held a meeting last Monday for the purpose of electing officers. Those elected were Amy Locarni, president; Jenny Downey, vice president; Edna Hansen, secretary; Jayne Eberhardt, treasurer; Fay Fowler, yell leader, and Beatrice Boyd, official bouncer. The intention of the girls is to take an active part in all popular sports so that before the year is over the boys won't laugh at them, as they say. But we shall see what we shall see.

Basket ball practice started in full swing Monday with many scrubs. Sophs, a few Juniors and some Seniors trying out for the team. Although there are many to pick from the aspirants are nearly all small or inexperienced. With steady practice and coaching, Coach Stenquist hopes to make up two winning teams. It will be hard work, both on the coach and those students who wish to become members of the team, but practice makes perfect, so let's get in and work.

The latest improvement in personal appearance is Norman Heggie who came to school Monday, adorned with a pair of spectacular spectacles. It is thought by all that the glow of autumn locks was too much of a strain on the "old master's" eyes.

### VINEBURG ITEMS

Supervisor Lowell was in Vineburg Wednesday looking over the new road extension from Batto's to Buena Vista which is nearly completed.

Mr. and Mrs. Wm. Block of Los Angeles were the guests of Mr. and Mrs. Chas. Groskopf Tuesday evening. Mr. Block is well known in this vicinity and for years was employed by the Gundlach-Bundschu Co. and is on his way back to his southern home where he is of old time friends.

Mr. and Mrs. Fred Batto, Emily and Herbert Batto and Miss Adeline Andriani enjoyed a motor trip to Sacramento in Rio Vista on Sunday.

Mr. and Mrs. Wm. Cordell and Miss Evelyn returned from a pleasant auto trip to Seattle Monday where they were the guests of old time friends.

Joe Cavallini, Vineburgs blacksmith has been installing a gasoline tank and pump and other pieces of machinery at his shop here.

Election day is drawing near and the only one of the three candidates that seem to be in the swim is Bob La Follette, the old war horse, and

the only statesman who can stand up and say that the state he has served for so many years is free from debt.

Messrs Fred Batto, Frank Knolle, Mrs. Albert Groskopf and Miss Emily Batto visited the metropolis Thursday.

E. Abbott transacted business in San Francisco several days this week.

George McGill and Frank Rhode went duck hunting this week and both got some fine birds. Frank shot one bird which he thought was a Glen Ellen mocking bird but George says it was only a mud hen.

Mrs. Grover Rubke entertained the Ladies Club at her home on Thursday last.

Grover Rubke and family motored to Marysville over the week end.

Louis Martin with a number of men are busy renovating the Stewart fruit packing plant after a busy season.

Willard Cole has returned from Modesto where he has been employed in the Sun Garden Cannery.

One of the largest social events held for some time in this vicinity occurred at the spacious home of Mr. and Mrs. Bacher, "Lehighorn Grove" on Saturday evening, the occasion being the christening of their third native son, all three having been born on the Hyde Tract. Between 50 and 60 guests were present from San Francisco, San Mateo, Colma and other parts. Dancing, singing, games and at midnight an elaborate repast was served. Plates were laid for 50 and Wm. Steinkamp of Sonoma Vista was Worthy Toastmaster and during the evening was the life of the party. Prof. Nimpier of Agua Caliente furnished excellent music which was enjoyed by all. The following guests from outside the valley were present: From San Francisco, Mr. and Mrs. Alf Maffly, Mr. and Mrs. F. Wiget, Mrs. A. Wherlie, Julius Bacher; from Colma, Mr. and Mrs. Joost, and Mrs. Andreagen, Misses Marie Andreagen and Albina Joost, Francis and Willie Joost, Emil and Henry Andreagen. Everyone present enjoyed themselves and wished the happy parents happiness with their third son. Richmond Ludwig Joseph Bacher.

Mrs. W. A. Laidley and children are visiting the former's mother, Mrs. E. Edrington. The young matron was formerly Miss Grace Edrington.

Steigers, Joe Keisers, Mrs. Jessen, Mrs. Amelia Bates, Mrs. L. McElroy, S. McGill, U. G. Marymee, Dick Guilfoyle, Fred Steiger and a number of others.

Mr. and Mrs. Joe Keechler of the Jones ranch are entertaining Mr. Keechler's sister, Mrs. John Steiner, of Sonoma, who recently returned from a hospital in San Francisco and finds the rest at the ranch doing her much good.

A. W. Adler made a business trip Monday to San Francisco where he is in line for a big office furniture contract. While down he lunched with his niece, Mrs. Pauline Hays.

## U. C. GLEE CLUB.

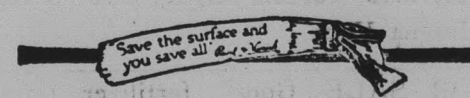

### HERE TONIGHT

The University of California Glee Club will be in Sonoma tonight at the high school auditorium. Their program differs materially from that presented by most college Glee Clubs. There are serious songs, college songs, plantation songs and humorous songs by the Club, of course, but the main feature of the program is the vaudeville acts. Director Morse does not allow an act to go on until the actors have acquired the necessary finish in their work. There is nothing amateurish about the program of the Glee Club.

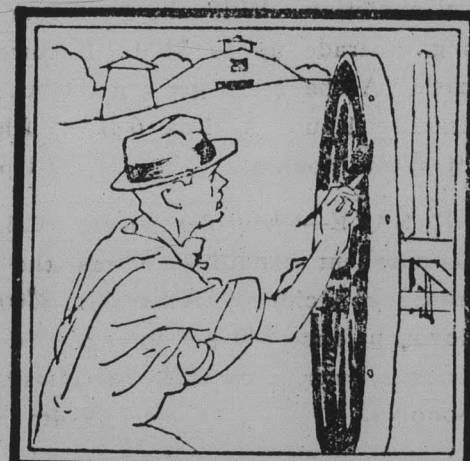

Owing to their world wide experience and numerous appearances on the stage, the members of the Glee have all acquired the aplomb of professionals. Particularly is this noticeable in the case of Gerald Toll, saxophone soloist; Dave Phennig, violinist; Chick Cole, singer of character songs and Buck Edwards, who dances and sings.

The admission is 35 cents and 50 cents, and a big jazz dance by their own orchestra follows the show.—adv

Thomas Vella, formerly of this place, is now employed at the Tomales Creamery.

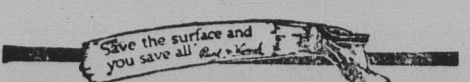

Are you  
ready for  
winter?

Now is the time to protect barns and other buildings, implements and machinery from the damage that winter weather is sure to bring unless they are covered with plenty of paint and varnish. It costs less to paint than not to paint, when you figure the dollars-and-cents cost of repairing the damage that can be done in a single season by rain, snow, sleet, rust, rot and decay. We have an Acme Quality Paint, Enamel, Stain or Varnish for every surface. And each one of them is the best for its purpose that we know of. Come in and get complete information on these property protectors.
